DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4,6-7,9,11-28 are allowed.
2. The following is an examiner's statement of reasons for allowance: With respect to claim 20, applicant's arguments regarding the creation of the pressure change within a housing having only two separate portions, in combination with the additionally claimed flow measuring method limitations of said claim are neither disclosed nor suggested in the available prior art. With respect to claims 1 and 11, applicant's arguments regarding the provision of the restriction and the seal engaging the sensing element, in combination with the additionally claimed limitations that form a flow sensor package of said claims are neither disclosed nor suggested in the available prior art.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
